Arrival guide

CAMPING
EL PINAJARRO
HERVÁS- CÁCERES

Arrival and departure

What time can I arrive and what time do I have to leave?
Check-in is from 14:00 and check-out before 12:00. If you need different times, ask us when you book.

What if I arrive late?
Let us know by phone or WhatsApp as soon as you know and we'll sort it out.

How late can I drive in at night?
Until midnight.

Are there quiet hours?
Yes, from 00:00 to 08:00. That way everyone gets some rest, kids included.

How to get here

Where is the campsite?
On the EX-205 road, km 2.7, 10700 Hervás (Cáceres, Spain). It's easy to reach via the A-66, the Vía de la Plata motorway. The village of Hervás is about a 15-minute walk away.

Is there parking?
Yes, there's a car park for guests and visitors. If your pitch or bungalow has a space, the car stays there.

What you'll find at the campsite

Showers and toilets
Two toilet blocks with free hot showers 24 hours a day, sinks, an accessible toilet and a baby changing area.

WiFi
There's WiFi at the bar and on the terraces. It doesn't reach the pitches.

Shopping
The campsite shop has fresh bread, ice, basic products and butane and propane gas bottles. It opens every day during the season.

Laundry
Washing machines and dryers, sinks and an ironing area. Each wash costs 5 € and tokens are available at reception.

Caravans and motorhomes
There's a grey and black water disposal station and a drinking water tap, free for guests.

Swimming pools
Adult pool and children's pool, from 11:00 to 15:30 and from 16:00 to 21:00 in the summer season.

Bar and restaurant
The Terrace Bar is open Monday to Thursday from 9:00 to 00:00 and, in high season, on Fridays and Saturdays until 01:00. Matilda Restaurant has its own opening hours: check matildahervas.com or call +34 615 975 718.

With pets

Can I bring my dog?
Of course. On a pitch there's a nightly supplement (2,50 € in low season and 3,00 € in high season) and in the bungalows we ask for a 50 € deposit. There's a fenced dog area where it can run.

Does it have to be on a lead inside the campsite?
Yes: inside the campsite, always on a lead. And whatever it leaves behind goes in a bag and in the bin. That way the campsite stays pleasant for everyone, on two legs and on four.

Barbecues and fire

Can we have barbecues?
Yes, in the barbecue and picnic area, and only when fire regulations allow it. In summer it's usually forbidden: ask at reception before lighting anything.

What to bring

If you're camping
A long extension cable if you take a pitch with electricity, flip-flops for the showers, a torch and something warm: it gets cool in the valley at night, even in summer.

Do I need a long extension cable or will a short one do?
Bring a long one. There's roughly one hook-up point for every four pitches, so depending on where you are it may be a few metres away and a short one won't reach.

If you're staying in a bungalow
Bed linen and towels are included; check each bungalow's equipment in case there's any difference. Bring whatever you want to cook with, as the kitchenware is already there.

For the kids
Swimsuit, cap and sun cream for the pool. And for the journey, the drawings and games from the kids' corner.
